

Noise Awareness - E-Learning

Course Aim

The course aims to give delegates an understanding of the legislation surrounding noise at work, learn about who is responsible for the protection of their hearing and know how noise can damage their ear and hearing.

Available in over 35 languages

Our courses are machine translated* into a variety of popular International languages, so regardless of location or language preference, we've got you covered. Our machine translated content includes the translation of course transcripts and test questions.

**Content which is not English may be machine translated and is for assistive purposes only. We cannot guarantee the accuracy of translations.*

Agenda

The course modules cover:

- The Ear
- Noise & Responsibilities
- Hearing Protection

Certification

Delegates will receive a HSS printable certificate in Noise Awareness upon completion of the course.

This course is approved and accredited by IOSH.

Who Should Attend?

This online training course has been designed for delegates who are frequently exposed to loud noises in the workplace.

Course Duration

This is a 25 minute course.
