

WORK SAFETY

Safety Health and Environmental Awareness (SHEA) GAS

Course Aim

To provide delegates with the knowledge and understanding required to manage health, safety and environmental responsibilities effectively, protect people and the environment, and support legal compliance.

This course is delivered on behalf of HSS Training by one of our trusted third-party suppliers, who are a registered EUSR-approved provider.

Who Should Attend?

SHEA Gas scheme is designed for individuals who require access to operational sites within the Gas industry, both permanent and temporary, at all levels including operatives, supervisors and management.

Agenda
